Out of the Blue

As the class of 1997 approaches its final days at LHS, it is time to reflect. It is not hard to remember when graduation seemed like four long years away. The time, to our surprise, has gone by almost too fast to believe. Four years is only a fraction of our lifetime, yet these years are sure to impact us long after graduation day. As a class we have forged strong ties and accumulated many memories of our years together. Our experiences at Leominster High School have made

With pride in our school, pride in our class, and pride in the individuals we have become we will make the transition into society from "Out of the Blue."

us the people we are and prepared us for all that the future holds. In our academics, sports, and extracurricular activities we have excelled. In our diversity, LHS has given us a common bond. We have worked, studied, and played together under the blanket of blue that is LHS. With pride in our school, pride in our class, and pride in the individuals we have become we will make the transition into society from "Out of the Blue."

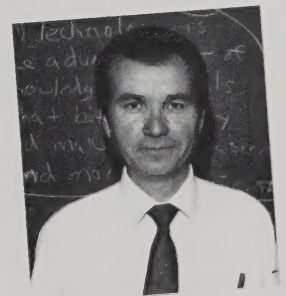

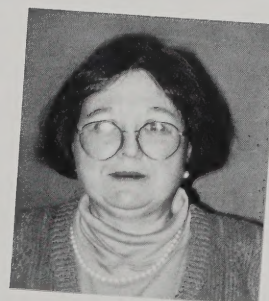

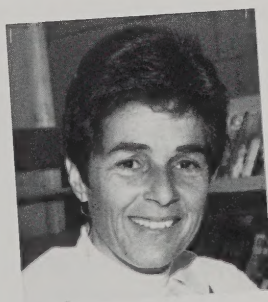

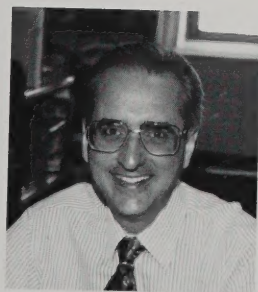

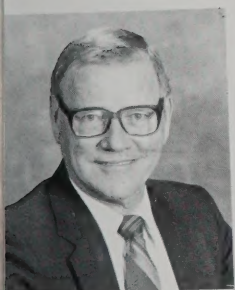

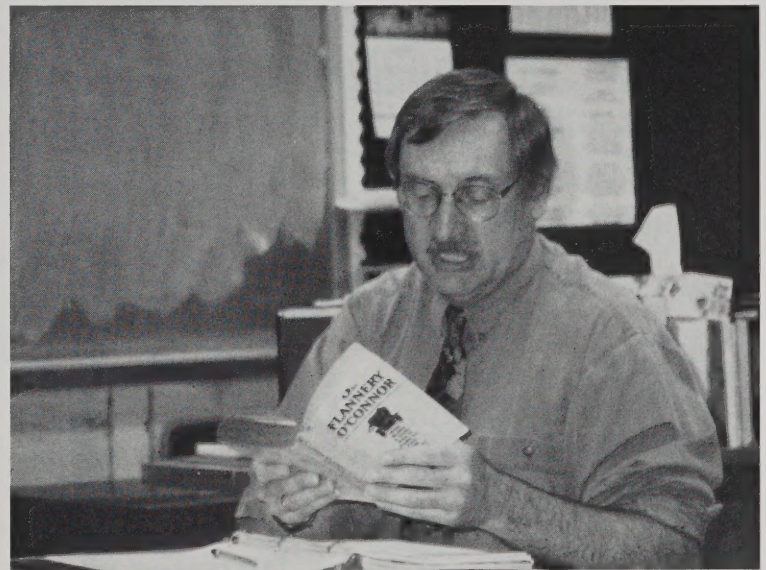

Dedication

*The 1997 Magnet is dedicated
to the teachers of LHS past & present*

We, the class of 1997, wish to acknowledge the debt we owe to the many dedicated teachers here at LHS who have touched our lives. Every one of us has fond memories of the teachers who have taken the extra time to get to know us, to encourage us, and to teach us the lessons we will need to know for life. We recognize the excellence of the LHS faculty and are grateful for having attended this high school under the guidance of so dedicated a group of educators. Thank you.

The Class of 1997

CLASS ADVISORS

Mary Beth Maynard

Thomas Browne

To the L.H.S. Class of 1997,

Congratulations! We simply cannot express all our gratitude and pride in so few words as so many superlatives apply to you and your years at L.H.S. We have all shared a common bond as we, both, began our times at L.H.S. as you did in 1993. Together we have learned a lot, shared much laughter and occasional tears, and formed relationships that will never be forgotten. Still, we ask you to remember that making friends just takes a moment, but being a friend takes a lifetime. Never forget these days.

Still, your accomplishments and successes to date are merely a plateau in life's mountain. The summit - a degree, a vocation, a family - is still ahead. So forge on members of the Class of 1997! It has been said that a school is simply four walls with tomorrow inside. Well, the door is now open. You are free to go, and tomorrow is now today.

Good-bye, Farewell, and God Bless,
Thomas & Mary Beth Maynard

ROYAL BLUE

We crown our seniors and bestow upon them the title "Royal Blue." The leadership qualities that this class has exhibited in all areas of school life contribute to their stature. In addition to a sense of leadership, royalty connotes accomplishment. This class has illustrated their capacity in areas such as the arts, athletics, academic excellence, and vocational expertise. These characteristics paired with the confidence and power they need to set a positive example for the upcoming classes. We wish them luck; we know they will make great contributions to society as a whole and we urge them to become the kings and queens of their own tomorrow.

Senior Class Officers

Michael DiPace, President; Nathaniel Marini, Treasurer; Lisa Dziokonshi, Secretary; Katherine D'Innocenzo, Vice President.

Many have said that the high school years are the best of one's life. As far as the Class of 1997 is concerned, these words ring true. We have enjoyed success in academics and technical studies, in the arts, and in athletics. With the help of our "rookie" class advisors, the Class of 1997 has launched a new LHS tradition, the Spring underclassman semiformal. Our thanks to Mrs. Maynard and Mr. Browne for a job well done.

While striving to be successful, the Class of 1997 has learned many important lessons. As we approach our graduation, each and every one of us, has become more mature, more responsible, and more independent. In short, we grew up! Treating one another with respect, and supporting one another, has become the rule rather than the exception. We have only one another to thank; for the social experiences we have enjoyed and the lessons we have learned would otherwise have been nonexistent.

It has been our honor, as the officers of the Class of 1997, to guide you into the future. Thank you, Class of 1997, for the confidence you have placed in us and for your cooperation, enthusiasm, and support. Good luck in all your future endeavors and thank you for all the memories.

Mike, Kathy, Lisa, Nate

In The Blue Light

Class History

MOST OF US IN THE CLASS OF 1997 HAD OUR BEGINNINGS IN THE YEAR 1979, which is an interesting twist of numbers. We were ready for kindergarten in 1984 and then settled in to one of the four elementary schools in Leominster at the time. We were the first class to attend these elementary schools K through 8. Then in 1993, from Johnny Appleseed, Fallbrook, Northwest and Southeast we met at Leominster High School and our journey began.

As freshmen we were awkward and afraid, but after a few weeks we were initiated to the LHS tradition of Freshman - Senior Week and we became a part of the school. Our principal was Dr. Kevin P., O'Malley and our class advisors, equally young and new, were Mrs. MaryBeth Maynard and Mr. Thomas Browne. We grew together as the class made strides academically, athletically, and socially. We elected Kerrie Griffin, Kathy D'Innocenzo, Lisa Dziokonski, and Jeff O'Neill as our class officers and our homecoming couple was Sarehl Lomme and Josh McKenna. Our class began to develop a personality all its own.

In September of 1994 we returned to LHS as sophomores, still underclassmen but more entrenched in the traditions that are LHS. We had a new principal, Mr. Richard Masciarelli. We continued our studies, sports, and social activities, but with a new maturity. Dan Grimm, Kathy D'Innocenzo, Lisa Dziokonski, and Natalie Gallant, our class officers, led us on. Our homecoming couple was Sarehl Lomme and John Campagna, and Mr. Browne and Mrs. Maynard continued to advise our class.

September of 1995 brought us upperclassman status and a new principal, Mr. Paul T. Fleming. We took our places as leaders in class, on the stage, and on the playing fields. We distinguished ourselves in academics and extracurricular activities. Our officers were Mike DiPace, Kathy D'Innocenzo, Lisa Dziokonski, and Natalie Gallant. Our homecoming couple was Karen Ruiz and Jeff Hudson. This year brought many challenges as we got jobs and licenses, took PSAT's and attended our Junior Prom. All practice for what was to come.

Finally September 1996 arrived. As seniors at LHS we had an agenda to lead and excel. We knew the year would rush by and this would be our last year together. Our leaders were Mike DiPace, Kathy D'Innocenzo, Lisa Dziokonski, and Nate Marini. Jon Campagna was elected Student Council President along with TJ Oleksiak as Vice President and Jocelyn Smith as Treasurer. We chose Jon Campagna and Sarehl Lomme as our homecoming king and queen and Dean DiMarzio and Christa Hupfeld as the senior court members. We applied to colleges, made major life decisions, and looked forward to what the future would bring.

As we write this class history we would like to thank all those people who helped us arrive at this point in our lives. We wish the best of luck to the Class of 1997 as we come... "Out of the Blue"

Class Will

We, the Class of 1997, being of sound mind and body do declare this our last will and testament:

To LHS we leave our academic and sports records.

To Mr. Fleming we leave a vote of confidence.

To Mr. Walsh we leave a winning hockey season, thanks to Alex.

To Mr. Michaels we leave his best substitute teacher, Mrs. Michaels.

To Mr. D we leave a permanent pass to Dunkin Donuts.

To Mr. Brown and Mrs. Maynard we leave wilted corsages and wrinkled caps and gowns.

To the halls of LHS we leave the spirits of Scott Frederick and Chris Connors...still roaming.

To Mrs. Myer and Mrs. Stillman we leave the excellence award.

To Ms. Buss we leave the "97 Magnet proofs and unused IDs.

To the freshmen we leave our traditions.

To the juniors we leave the leadership of LHS.

To Coach Dubs and next years football team we leave the hope they can beat Fitchburg.

To Mrs. Rheault (AKA Death Row) we leave the elusive A.

To Mr. Schroeder we leave our transcripts and two stamps.

To Mr. Coffill and the band we leave the hope for new uniforms.

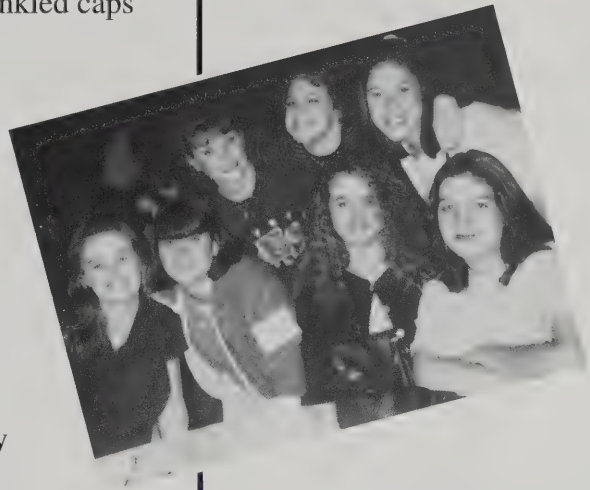

To Mrs. Cavanaugh we leave our blood.

To Miss O'Connor we leave her keys and glasses.

To Senior English Teachers we leave our college essays.

To Mrs. Tolman we leave Milo's ID.

To the student body of LHS we leave the memory of a great class.

Junior Prom '96

On April 27, 1996, at the Italian American Cultural Club, our class stepped out for "An Evening of Dreams." The jackets and heels came off early and we danced 'till we could dance no more! It was truly a night of fun and fantasy. Everyone, including Mr. DeLuca, had a wonderful time!

'A Night of Dreams'

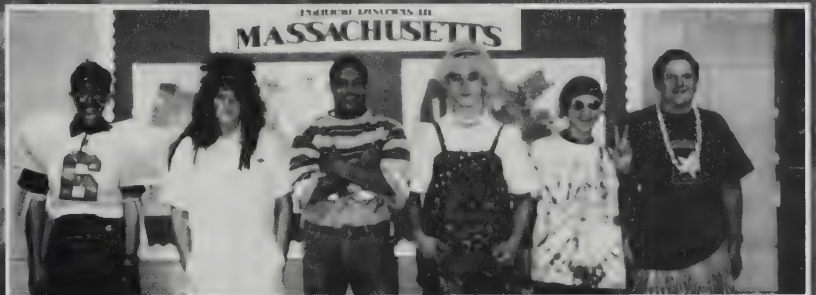

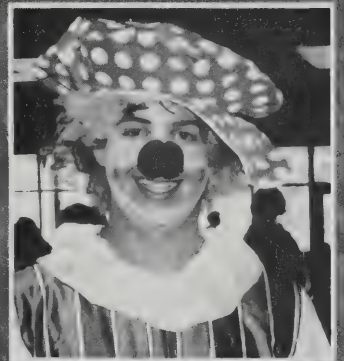

Senior

The class of 1997 welcomed the class of 2000 to LHS in the traditional way with a week of fun and games. Hats, signs, painted faces, and costumes kept us in stitches. Some of us discovered creativity we did not know we had, but the freshmen took it all in the light-hearted spirit in which it was intended. A good laugh was had by all. The week ended with a pizza party where many friendships were begun. We are sure these freshmen will want to continue the tradition.

Freshman Week

1996

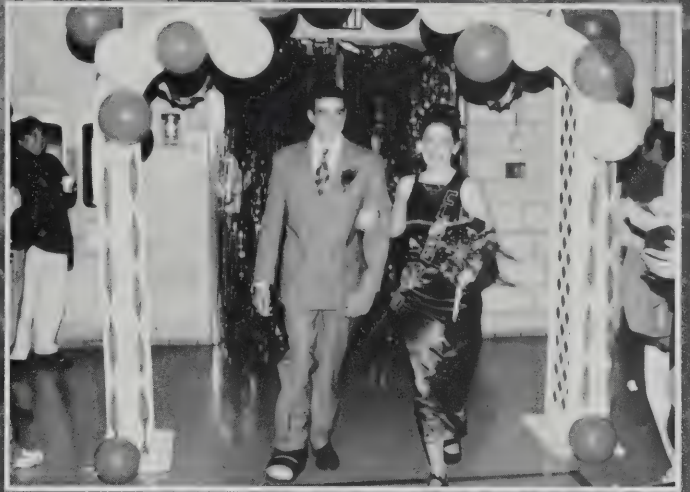

On the evening of October 4, 1996, at Doyle Field, Leominster High School held its Homecoming festivities. Crowned King and Queen were Jon Campagna and Sarah Lomme. The court was made up of seniors Dean Di-Marzio and Christa Hupfeld, juniors Marc Gravelle and Laura DeSimini, sophomores Greg Donatelli and Katie Valliere, and freshmen, Jason Morales and Lindsey Turner.

It was a clear night with a chill in the air but the court braved the cold and our football team won the game. Later that evening the court was presented again at a dance and victory celebration at the high school.

Homecoming

Senior

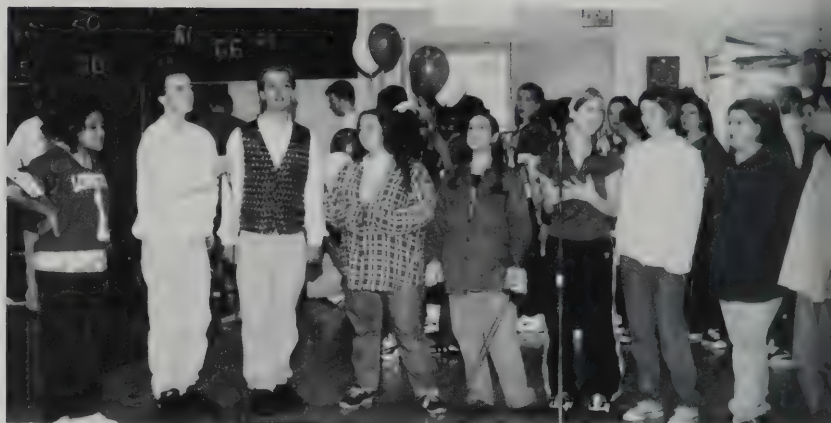

On Wednesday morning, November 27th, the senior breakfast was held in the cafeteria. The Culinary Arts Department prepared and served a delicious meal. We ate and socialized, all the time anticipating the long awaited rally. At 9:00 it was out the door to take the '97 picture for the yearbook. There was snow on the ground and a chill in the air. Next we were off to the rally.

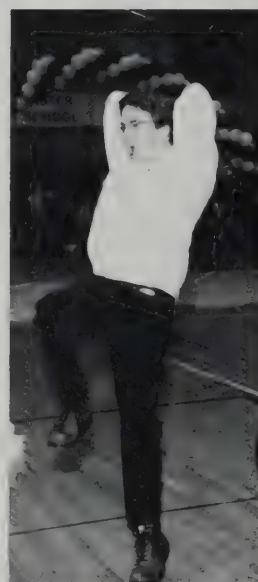

Breakfast

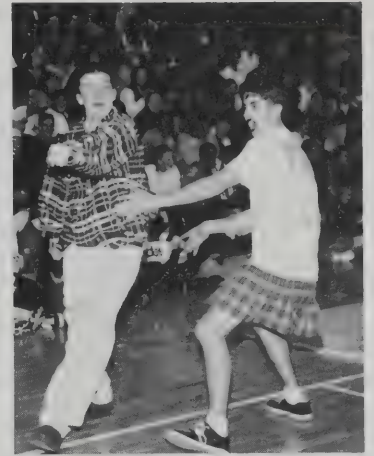

1996

The class of '97 outdid themselves at the Thanksgiving Day Rally. The gymnasium looked like a sea of blue as the band played the L.H.S. fight song, Masters of Ceremony. Jon Campagna and Natalie Gallant circled the floor and stirred up the crowd. Blue Devil, Joe Manzello bench-pressed Red Raider, Eric Mello. What really brought the house down though, was the mock cheer leaders and their antics. Senior girls, cheer leaders, and football mothers did an awe some job. No lie — it was the best rally ever!

All School Play

On December 6th, 7th, 13th, and 14th, under the direction of David Bouvier, the All School Play was performed in the L.H.S. auditorium. This year it was a collaboration of two plays. The first, a tragedy called "The Trojan Women," starred Nathan Aranson, Jennifer Haschig, Colette Laffan, and Eric Mello. The second, a comedy called "Braggart Warrior," starred Eric Mello, Nate Marini, Nick Howe, and Matt Progin. The entire cast and crew did an outstanding job as usual, upholding the L.H.S. tradition of dramatic excellence.

NAVY BLUE

We salute our juniors for surviving the most difficult year of high school. For this accomplishment, we entitle the section "Navy Blue." The military reference of this shade is to illustrate the hard work, dedication, and structure needed to come out of a junior year on top. For many, the third year of high school brings about a tension concerning the future because it is becoming more of a reality. This year's juniors have certainly earned their stripes and can soon be bestowed the honor of calling themselves seniors.

SOPHOMORES

OCEAN BLUE

"Ocean Blue" has been chosen to describe not only our sophomore class but a general belief about sophomore year as well. For many, the second year of high school is one of a relaxed attitude, which parallels the general feeling that surrounds the ocean. In addition, a sophomore year can be one full of decisions about where one wants to be going and what one wants to be doing. These personal conflicts can be reflective of the ebb and flow of the tide. In any respect, we have confidence that our sophomores will ride the wave to success.

BABY BLUE

We have labeled our Freshmen section "Baby Blue," not only for the obvious poke at the newness associated with both babies and a freshmen class, but to emphasize the potential that also connects these two entities. As a freshmen class their blue is still subtle, light; these students still have the majority of high school ahead of them to grow and strengthen themselves and, in turn, darken and deepen their blue. They are the class that will lead us into the next century by showing us their true colors.

FACULTY

True Blue

Dear Graduate (Class of 1997),

The sun is out on this November morning providing light for the many initiatives that characterize life at your high school.

Plans are moving ahead for our new non dedicated computer lab which will increase Internet access from 3 to approximately 30 stations.

A total school faculty committee is developing a new schedule for the 1997 school year that will allow us to schedule all our students for a minimum of 990 instructional hours of yearly learning.

All your fall teams have had solid seasons and if our football team is successful in the upcoming Thanksgiving game they will play in the Central Massachusetts Division I superbowl.

Change is everywhere with public education very much at its center. The State Board of Education by way of example voted yesterday to require graduating seniors (your class) to take the G.E.D.

The high school is moving towards a house type organization so that students can better know their teachers, counselors, and administrators. Miss Ciccone's appointment as a third assistant principal is a step in that direction.

Your class is helping tremendously with this year's theme of encouraging all the students to respect themselves, their peers, and their school. You have been very receptive to new ideas like independent study, tech prep, and school to work.

Your principal thanks you all for your daily kindness and support. His message to all of you as you face the future sounds simple but is tough to follow and believe. Simply put give constantly to all of the abundance that has been given to you and you will never be without happiness and peace.

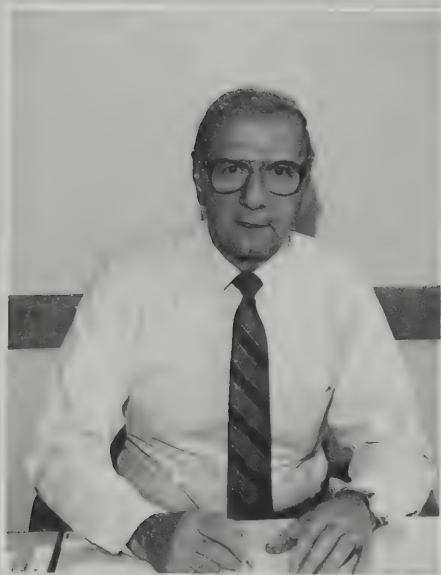

Sincerely,

Paul T. Fleming

Nick scores again!

The 1996 Blue Devil football team had a very successful season this year, finishing at an impressive 8-3, while also becoming the first LHS football team to defeat rival North Middlesex. Playing football for the blue and white is an experience unlike any other and will be cherished by all who have participated in the past, present, and future.

Chris going after the ball.

The Blue Devils varsity soccer team had an outstanding fall season, finishing with a 12-6-3 record. The team made it all the way to the district semifinals before losing a heart-breaking 2-1 decision in sudden death overtime to North Middlesex. However, the season was far from a loss, as they proved they are one of the top teams in Central Massachusetts. This senior-laden Devils' team was led by Coach Emile Johnson along with captains Mike Crotty, Jeff Hudson, John Daelhousen and the rest of the seniors. Leading the team in goals was Abdulah Mohammed with ten goals and goalkeeper Jeff Hudson posted nine shutouts and set the school record for career shutouts with 25.

Although our 4-11-3 record is an improvement over last year, it does not show the hard work and pride that was expressed throughout the season. Each game was played with a great amount of heart. We also formed friendships with each other and learned the value of teamwork. To the members of the girls soccer team, the 1996 season holds many things learned and many great memories.

Field Hockey

Missy makes a nice save.

The 1996 Field Hockey team had a fun and exciting season. Although we did not receive any trophies, we still accomplished some of our biggest goals. We beat Fitchburg for the first time in years and we defeated our field hockey rival Wachusett on their field. Our team has a coach who was not only our coach, but also our friend. The team always worked hard and together. Hey juniors, remember "There is no room for second place." Our team would also like to send a special thanks to our manager, Karen DeCisero.

Cross Country

Phil takes 1st!

Chris in stride

The LHS 1996 boys cross country team surprised many critics with an 8-4 record. Although team members had received limited recognition and support, their motivation and effort were certainly obvious, as they finished 4th in the Mid-Wach League. The boys faced every obstacle, whether it be completing a hill repeat or enjoying a "banana peel" fall into the mud puddle, with zeal. The high point of the season was Phil Loiselle's second qualification for the State Meet in only his second year, where he finished 25th. Much of the team's success can be attributed to the efforts of Coach Cleaves. Even though the boys' team did not contend for any championships, Coach Cleaves continued to arrive early on Saturday mornings for practice, in his famous red-pickup, to help each of the runners improve. Through glory and defeat, each LHS cross-country runner not only learned the strategic aspects of running, but also experienced the thrill of reaching, what seemed to have been, unattainable heights.

The 1996 Girls' Cross Country team had a successful season overall. The competitive highlight of our three month season was sweeping the top three places against Fitchburg to win the meet. Winning meets, however, was not the most important part of cross country. Running long distances together every day and watching each other improve individually was the most memorable aspect of the sport, and of course the entertaining bus rides to and from the meets!

The 1996-97 Blue Devil Basketball team had a very eventful season. Winning the Gardner tournament was one of the many enjoyable moments experienced by the team this year. Through much hard work and perseverance the team grew as a family, rather than just another team.

1996 saw the beginnings of a long awaited girls volleyball program at Leominster High School. The Varsity team consisted of 21 members. Captains Gloria LaBoy, Allison Phillips, and Jessica Tisdale proved to be wonderful role models and led this inexperienced, yet fiery team to an 8-3 opening season. This group of young women clearly set the stage for a successful volleyball program to follow in the future. At the Fall Awards Banquet, Jessica Tisdale was named the team's "Most Valuable Player," while Allison Phillips earned the "Coach's Award," and Kelley McMilleon was named "Most Improved Player."

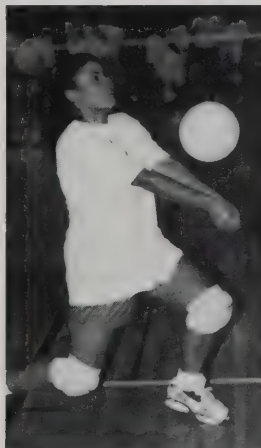

The Junior Varsity team consisted of 23 members. These girls did an outstanding job of learning to think and play as a team. Their record was 8-1 — incredible for a first year team.

Ice Hockey

Preparing for a victory.

The 1996-1997 Blue Devils Ice Hockey team had a very successful season despite many obstacles. Senior Eric St.Pierre and sophomore Tim Comeau were both knocked out for the season with a broken leg and broken wrist, respectively. We have also risen above, after a coaching change, and achieved a goal that was realistic for the whole team. Blue Devils Ice Hockey shows the excellence and sportsmanship in all of us, and will be our crowning achievement when we look back on our high school careers. Go Devils!

Indoor Track

Jessica Tisdale — Shot put.

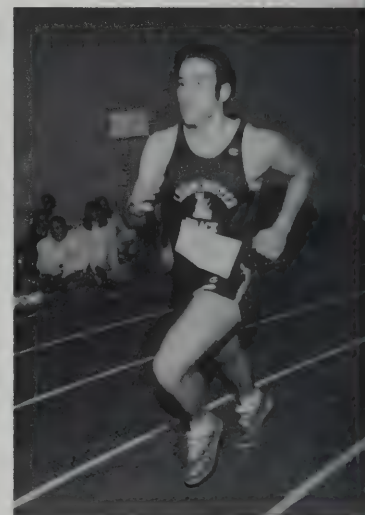

The Indoor Track team had its share of wins and losses. The most memorable win of the year was when the LHS mile relay teams beat Fitchburg's teams to win the dual meet. The entire Leominster team sat on top of the bleachers to cheer on the relay teams and proved that although we're not the best team in the state, we're definitely the loudest. Thanks to coaches Baker, Cleaves, and Moryl for a great season.

In for the backstroke!

With the loss of 9 senior swimmers last year and 17 rookie freshmen joining this year, and still no true home pool, from the start the season looked bleak. A team that was supposed to go winless on the season worked hard and under the leadership of Jen Haschig, Colette Laffan, and Nathan Aranson managed to win four meets, one of which was against Fitchburg. The team was "The most fun team in over 11 years," according to Coach Johnson. It was definitely a great year for all. In the last meet of the season 70% of the team had personal best swims and sent Kristy Thomley, Pete Thomley, Gail Cline, and Nathan Aranson to sectionals and states. The once powerful swimming team has entered its rebuilding years.

Warming up!

The Leominster Blue Devils wrestling team picked up steam during the second half of the season. Highlights included 1st place at the Gardner Tournament and 3rd place at Westford Academy. We sent four wrestlers to states and Joe Manzello was ranked #2 in the state and #1 in Division I. Both Manzello and Eric Mello received League All Stars. Twelve starters will be returning next year, which should make the Leominster Blue Devils a force to reckon with!

"We're gonna do it **this** time!" has become the slogan of the 1997 Competition Cheerleading team. With hard work, unity, and desire this year's team has the capability to reach great heights. Despite a late start, the team has come together under the guidance of coaches Leah Fratturelli and Denise Muth and trainers Tracy Levesque and Kelly Proctor. Each cheerleader has demonstrated great talent, versatility, confidence, and dedication. These qualities combined is what makes this team exceptional. While competing against other teams we are judged on our athletic ability, and that's what makes us a sport. With an excellent routine this year's team hopes to maintain its title as Mid-Wach Champs. The '97 team is one of the most talented teams yet because "We worship it!"

YEARBOOK STAFF

Putting a yearbook together is not an easy task — as we found out. Layouts, copy, pictures, and deadlines now have a deeper meaning for us. "Who did this layout?" "Where is the copy for this page?" "We don't have enough pictures of the breakfast!" "Forty-four pages! We'll never make this deadline!" If you came by Room B155 you likely heard one of these statements and saw Ms. Buss looking worried. We did our best to capture all the people and events that make up L.H.S. We hope this yearbook is a way for you to keep the memories alive.

Jocelyn Smith

Dear Jocelyn,
 Having you as my daughter I truly was blessed,
 You've worked towards this moment, you gave it your best.
 No matter the challenge, you worked towards your goal,
 You always would give it your heart, mind and soul.
 Through skating and soccer, softball and dance,
 Let's not forget cheering—"L.H.S.—Mid Wach Champs!"
 I look at you now, filled with love and with pride,
 Once held in my arms, now we stand side by side.
 What advice can I give, words of wisdom to say,
 To take on your journey, each step of the way?
 Hold on to your dreams, aim high for that star,
 Believe in yourself, don't forget who you are.
 Your story lives on, though this chapter must end,
 My love will go with you, my daughter, my friend.

All my love,
 Mom

"SUGGESTIONS FOR SUCCESS"

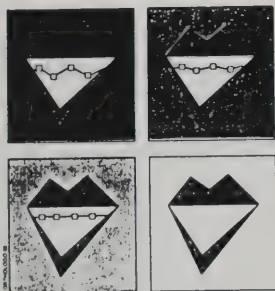

*Perhaps the most important rule you will
ever learn is that your life only becomes
better when you become better.*

*All of life is lived from the inside out. At the
very core of your personality lie your values
about yourself and life in general. Your
values determine the kind of person you
really are. What you believe has defined
your character and your personality.
It is what you stand for - and what you
won't stand for - that tells you and the
world the kind of person you have
become.*

And as for the fortune
and as for the fame,
I never invited them in.

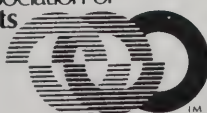

Though it seemed to the world
they were all I desired.

They are illusions.
They're not the solutions
they promised to be.

The answer was here all the time
I love you and hope you love me.
